Damien + Rita

Hello

NICE TO MEET YOU, WE ARE DAMIEN AND RITA!

Thank you for taking the time to view our profile! We are so grateful that you are here and want to learn more about us.

We can't begin to imagine how you're feeling, but know that we are praying for you and your baby for peace and happiness throughout this journey.

In our family, we laugh and love to the fullest. We love good coffee, healthy eating, exploring the outdoors, traveling to new places and spending quality time together. We hope that our profile will show you a little glimpse of how much love we have for each other, and how ready we are to share it with a child.

WITH LOVE & APPRECIATION

Married 12 years

We cannot wait to become a family and cherish every moment together.

Our Story

WE FIRST MET ATTENDING THE SAME CHURCH WHEN WE WERE JUST 13 AND 14 YEARS OLD.

It wasn't until four years later that our friendship grew and we began dating. After three years, we got happily married and have **just recently celebrated 12 years of marriage together!**

We were excited to start a family right away, but weren't able to because of infertility. **Adoption is giving us a beautiful chance to start a family.**

SEWING WITH AUNT RITA

WHAT I LOVE ABOUT *Rita*

WRITTEN BY DAMIEN

Rita has a creative mind and loves to do DIYs. She also loves embroidery, sewing and cooking. She brings joy wherever she goes. She is also the favorite Aunt! Our nieces and nephews always love learning from her, she is usually teaching them how to sew or cooking up a fun recipe! She is always the first one to offer her support, love, and home, and the last one to ask for it.

Apart from her generosity, charm and the care she gives her loved ones, I think the first "trait" I fell in love with was her drive. I remember Rita saying that she wasn't going to let her excuses get in the way of making her a better person each day, and I think it's one of the best virtues about her. Rita's favorite Holiday is Christmas and her favorite movies are the old classics movies from the 40s and 50s.

Currently Rita is a content creator. She makes her own schedule which is a great benefit of working from home. She plans on being a full time stay-at-home mom with our child.

Favorite Hobbies

- Loves to cook and try new recipes.
- Always designing something in our home to make it beautiful
- Enjoys the Saturday morning Farmers Market.
- Grew up on a farm, so loves being outdoors.
- Relax in the evening with a good show and embroidery.

WHAT I LOVE ABOUT *Damien*

WRITTEN BY RITA

Damien is genuine in all he does. He loves playing sports, but is equally happy just sitting and reading a book. While he is more soft-spoken, he's not afraid to be the life of the party or to round up the nieces and nephews for some entertainment. No acts of service are too big for him, and he never seems to be overwhelmed by anything that happens. He is truly my better half. All of our nieces and nephews love playing with him. He connects with them so well.

Damien's favorite Holiday is also Christmas and his favorite movies are anything from Christopher Nolan.

Damien works with a digital marketing company as a Sales Development Executive. The company is very employee driven and family values are a big thing. This means he has extra flexibility and works from home!

WE ARE SURROUNDED BY *a loving Family*

Family is everything to us. We grew up in large families that we are extremely close. We love spending time all together and prioritize reuniting every year to celebrate holidays, birthdays and family get-togethers. Rita grew up in a large Italian family and would spend hours sitting, eating, and enjoying food with some of the same recipes her family would make for over a 100 years. Damien also comes from a large family where food is celebrated. Our family gatherings are a guarantee of good laughs! We all come together and just love on each other. We look forward to sharing and creating our own traditions with our future family.

OUR GREATEST WISH FOR YOUR CHILD IS FOR THEM TO HAVE A HAPPY AND FULFILLING LIFE

WE LOVE WHERE WE LIVE AND HOW FAMILY-FRIENDLY IT IS.
We have the nicest park around the corner from our home with a huge playground, family recreation center and multiple sport fields.

We go to the park every evening with our dog, Anjo. This is a very intentional time for us to connect after a busy day since we both work from home. Before that, we love to cook food together and usually turn on some good music while we're prepping dinner. On Sundays, we attend church and grab brunch, coffee, or sometimes both!
